

63-5223

28 June 1963

Dear George:

Mr. Danner and Mr. McKenna came in yesterday afternoon and discussed a most unusual situation in Venezuela which has been the subject of their concern. We are investigating the matter to the extent of our capability. I will report to them and also to you within the next few days.

Warm personal regards.

Sincerely,

signed "John"  
John A. McCone
